J. Grant money as prize for presenting? *Morgan*

Should we pay panelists? Randomize who gets it will get push-back, can we prize the best presentation through an audience/reviewer vote? There will be push-back either way. Incentive for people to go. How do we distinguish who wants to participate and who just wants money? People can sign up for it separately. Have one awardee from post attendees to make sure votes are 'fair'. Less kickback if just 3MT.

K. Make website changes (see 'J' above) *Scott*

No committee page yet, need headshots. Guidebook link when guidebook fleshed out. 3MT (advert) on webpage.

L. Reserve Scott Morgan rooms *Hope*

Workshops are mandatory to participate in 3MT. Use GRC workshops as additional opportunities? Possibly double 3MT slots and remove keynote speaker? Upload to workshop page with changed dates.
